Q.P. Code : 61341

11. Beginning with the introduction of the gold standard, explain the current issues to be considered by MNCs in international financial management concerning the receipt and disbursement of funds.

SECTION – C

Case Study, compulsory question, carries **15** marks :

(1 × 15 = 15)

12. Rakesh began a gloves manufacturing unit in Bengaluru ten years ago. He sells surgical gloves to several medical institutions in South India. Though the business is doing well Rakesh has started to feel that he should expand the business by attracting more customers. Rakesh has an opportunity to sell the gloves to Sri Lanka and Mauritius. He has also been contacted by a party in Gurgaon for sales. Based on his production capacity, Rakesh can either take up the North Indian market, explain why. If you advise to go for the foreign market, then advise how he should go about it, the documents needed, the procedure and so on.
